

March 2021

Dear Parent/ Carer

We are delighted that your child has been allocated a place with us in Year 7 at Marriotts School and would like to welcome you and your child to the 'Marriotts Family'. You are joining us at a fantastic time on our journey to be the best possible school we can for all of our students. We have 240 Year 7 students joining us in September and are over-subscribed on first choices. Marriotts had over 800 applications for a school place. That alone is a testament to the great work all of our staff and students are doing. I am sure you, like us, are very happy that you have secured a place and we look forward to working with you.

Please keep an eye on our website and Facebook page to keep you updated about what is happening here at Marriotts over the next few months. As you can imagine, we are currently organising the return to school for all our students after this difficult time and so we will be sending the next update to you regarding the transition at the end of March.

Please visit our school website page for further useful information regarding transition here:

Mrs A Taylor, Assistant Headteacher will be leading on the Transition for all students moving up to Marriotts School and will be your main point of contact in the first instance.

We will write to you again at the end of March with further information regarding upcoming events for transition this year.

Congratulations on achieving your place, welcome to Marriotts. Aim high, work hard, be kind.

Yours sincerely

Ms B Honnor
Headteacher
