

June 2021

Dear Parent/ Carer

I hope that this letter finds you and your families and friends safe and well. Following our earlier letter in April, we would like to reiterate how delighted we are that your child will be joining the Marriotts family in September. In light of the current situation, we are making adjustments and planning for student transition in different ways. I know that this situation is a very difficult and anxious time for all and that the thought of your child transitioning to a new school is an added worry for families. Please be assured we will do all that we will support you and your child in every way we can during their transition to Marriotts.

The Transition (Taster) Day will be held on **Thursday 8<sup>th</sup> July 2021**. Further details about this day will be communicated nearer the time. The Transition Evening is in the planning stage, and once we have finalised the details we will let you know.

We hope that you have signed up for the Summer School, this is open to all students moving up to Marriotts and will be held on the week commencing 2<sup>nd</sup> August 2021. A full programme will be available in July. The link to show your interest is:
